

Halloween Kekse ohne Ausstecher

18 Vorlagen zum Ausschneiden, Kekse werden damit etwa 5 bis 6 cm groß

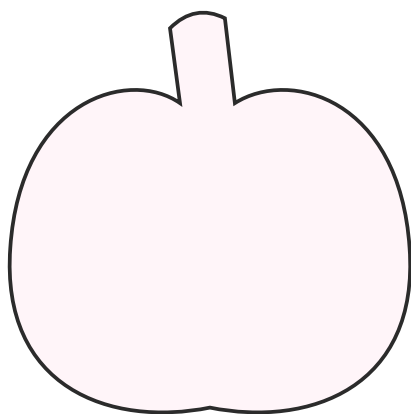

1. In Originalgröße drucken (100 %, nicht „An Seite anpassen“). Die Kontrolllinie unten rechts muss 5 cm lang sein.
2. Motiv auf Backpapier durchpausen und ausschneiden. Druckerpapier bitte nicht direkt auf den Teig legen.
3. Teig ca. 4 mm dick ausrollen, Vorlage auflegen und mit einem kleinen, spitzen Messer umfahren.
4. Ausgeschnittene Kekse vor dem Backen 10 Minuten kalt stellen, dann bleiben die Konturen scharf.
